Our weekend is structured only around mealtimes, and the rest of the time is your own to pursue your art...or just recharge with the energy of other creative people all around you.

Any and all activities are optional, and spontaneous lessons and workshops may crop up over the weekend.

You do you, and get what you need out of this weekend of creativity!

Materials swap and share

Ever bought something that just didn't end up being for you? Or you have so much you want to share the wealth? Or maybe you've moved on to a new medium and have supplies you no longer need? We'll have a swap and share table up all weekend for participants to share what they don't need and pick up something new to try out.

Our Venue

Sheltered by a natural spruce grove, Fairmount Bed and Breakfast is located beside a prairie waterway. During breakfast, you can watch both woodland and waterbirds. Spend the day relaxing on the backyard deck, while sheep and cattle graze on the pastures. At night from your bedroom see the moon rise, reflected on the water, as you fall asleep to the sounds of frogs and night birds.

The food is all locally sourced or produced, and seasons meals are all prepared on site, right down to the breads and pastries.

Fairmount Bed and Breakfast is a short drive outside of Minnedosa.
